

# Welcome to the Club

Name: \_\_\_\_\_

We'd like to welcome you to York Singles Social Club to explain a bit how we work and to ask you a few questions about your interests.

## How We Work

The club is organized by an executive committee that looks after the basic functions—renting a meeting space, managing the fees and expenses, publicizing the club, and preparing the monthly calendars of events. We count on our members to help out with the various activities as you are able because it's just too much work for the executive alone. We are all volunteers and depend on everyone helping out in one way or another a little bit. Many hands make light work...

This isn't intimidating. It involves things like coming up with suggestions for events, making restaurant or theatre reservations, holding card games in your home or condo, hosting a movie night, serving on the executive at some point.

## What Are Your Interests

We want to plan events that include everyone's interests, so we'd like to know what yours' are. Circle all that apply and there is space to write in anything we've left off.

Hiking      Crafts      Theatre      Dancing      Sports      Euchre

Travel      Music      House Parties      Bridge      Camping      Skiing

Movies      Cruises      Dining out Trips to Special Sites (day or weekend)

Golf      Bowling      Lunch and Learn (topics of interest to seniors)
