

GETTING TO KNOW ONE ANOTHER

York Singles Club – Prospective New Member Questionnaire 2022 - 2023

We don't mean to be intrusive...after all you don't know any of us yet, but our membership support team want to ensure your experience with us is rewarding and fulfills your goals in joining the club.

Information you share below is considered confidential and not for the general membership.

First...a couple of personal questions(optionalof course) It helps for us to know how long you have been single. We often find that members who are newly single are in a different "head space" from those who have been on their own for a very long time.....different needs, different comfort zones. Ditto for those who are new in OUR community. We offer to mentor. It isn't an easy time for most.
